

Medical Disclaimer

The information provided by Flow Wellness on our website and through our services is for general informational purposes only. **Flow Wellness** is not a licensed medical provider, and our services should not be used as a substitute for professional medical advice, diagnosis, or treatment.

Consult with a Medical Professional

Always seek the advice of your physician or another qualified healthcare provider before starting any new health-related treatments, including IV therapy. The information provided on this website and through our services should not be considered as medical advice. Any reliance on the information provided is at your own risk.

Health Conditions

If you have any medical conditions, are pregnant, nursing, or are taking any medications, you should consult with a healthcare provider before undergoing any wellness services offered by Flow Wellness.

Results May Vary

The outcomes of any treatment provided by Flow Wellness may vary from person to person. We do not guarantee specific results or outcomes and do not claim to treat, cure, or prevent any medical conditions.

By using our services, you acknowledge that you have consulted with a healthcare professional as needed and that you understand the limitations of our services.
